ICONS

ICONS

ICONS is a contemporary collection of wallpapers celebrating some of Cole and Son's most iconic designs. Much loved favourites including Woods, Hummingbirds, Palm Leaves and Flamingos feature in a glamorous, 1950s Miami inspired colour palette. Bright, vivid hues are tempered with tropical, sun-bleached shades balancing South Beach's bold style.

From calming neutrals and soft chalky pastels of peppermint, dust rose and seafoam, to deep rich tones of ink spliced with lime, violet and teal, this modern collection combines detailed pattern and vivid colour in signature Cole and Son style.

COLOUR PALETTE

- Inspired by 50s Miami colour palette – epicentre of tropical-retro-global-style
- Glamorous palette which is still vibrant and fun with lots of 1950s kitsch
- Base of calming yet striking neutrals and soft chalky pastels of peppermint, dust rose and seafoam spliced with deep rich tones of ink, lime, violet and teal
- Modern collection combining detailed pattern and vivid colour in signature Cole and Son style.

PALM JUNGLE

The original Cole and Son Palm print has been reimagined in both bold and understated new colourways whilst retaining all the lush, dense pattern and depth which made the original so popular. Palm Jungle is now available in soft Stone and Taupe, punchy Petrol and Lime, classic Forest Green, and the fittingly 50s-esque Seafoam.

Colourways: Seafoam, Petrol + Lime, Forest Green, Stone + Taupe

PALM LEAVES

Simple yet striking, Palm Leaves' bold print has had a colour makeover. Plaster Pink and Mint provides an update on retro Miami cool, with Mint and Yellow adding a soft neutral base upon which to build a true South Beach palette. For dramatic impact, vivid Viridian and Lime and Ink spliced with Violet are guaranteed to make for an unforgettable interior.

Colourways: Alabaster Pink + Mint, Mint + Sand, Viridian, Ink + Violet
